MySQL, phpMyAdmin, SQL Server │ Plesk, CPanel, File Manager, Backup Configuration │ SMTP, SEO, Performance Testing & Debugging

WEB DESIGN & CMS MANAGEMENT

UI/UX Design, Web Design │ WordPress (WooCommerce, WPML, Elementor, Thrive Themes) │ Wix Editor, Website Management

COLLABORATION & SUPPORT

GitHub, GitLab, NPM │ Emailing, Customer Support

PROJECTS

Cineplexx Clone - HTML, CSS, JavaScript, PHP, JQuery, MySQL

Developed a web application using HTML, CSS, JavaScript, and jQuery for the front end, with PHP handling server-side communication. The project was built on a WAMP server, utilizing MySQL as the database, accessed through phpMyAdmin. Designed to improve understanding of full-stack development and the interaction between front-end, back-end, and database technologies.

E-Commerce Website - HTML, CSS, SCSS, JavaScript, Php, SQL

Worked on a comprehensive e-commerce platform designed to enhance the online shopping experience for users. The system allows customers to search for products, place orders, manage their shopping carts, and leave reviews. It includes distinct user roles such as clients, sellers, and administrators, each with specific access and control.

26 MAY 2025 – CURRENT

Admin Dashboard - HTML, CSS, ReactJs, Fake JSON, Bootstrap

Developed an Admin Dashboard using HTML, CSS, JavaScript, and React.js, incorporating Ant Design for UI components and Fake JSON as a mock data source.

The project aimed to enhance understanding of front-end development, component-based architecture, and efficient data handling within React applications.

School and Personal Projects - Varity of programming languages

Developed various projects, including an ATM system, calculator app, WordPress websites, and web applications, covering both frontend and backend development. Gained hands-on experience with multiple programming languages such as C, C++, Java, PHP, HTML, CSS, JavaScript, jQuery, and AJAX.

COMMUNICATION AND INTERPERSONAL SKILLS

- **Excellent multitasking & time management**

- **Strong problem-solving mindset**

- **Team player with adaptability & collaboration skills**

- **Detail-oriented & responsible**
